MISSIONARY UPDATE

06/13/20

David & Elaine Wilson

As we move through the pandemic, we who know the Lord can have His peace within. Sadly, in the US over 100,000 have died through the Coronavirus. A hidden tragedy is also that over 800,000 will die this year through abortion. While there have been peaceful demonstrations against the murder of an unarmed and handcuffed man by a police officer, criminal elements have used this as an excuse to loot and burn. Jesus said that plagues and lawlessness would come in advance of His return, and then He will bring peace on earth as He reigns as King of kings. There will be a Day of Judgment. Until then, we should be available to be used by the Lord as His witnesses and peacemakers, that more souls may be added to His kingdom. Our Lord overcame the world, and through Him we also can be overcomers.

Presently, all our evangelists around the world are on lockdown. They are like fishermen mending their nets, but are ready at the Lord's command to "launch out into the deep and let down your nets for a catch" (Lk.5:4). They are also finding ways to share the gospel even on the internet. There are signs that God is using this pandemic to soften people's hearts to the gospel. My time is taken every day communicating on-line with our evangelists, preparing for future trips overseas, even testifying on Zoom to some of my 1956 High School Classmates, and spending precious time in God's Word. Elaine is back teaching the Bible to 4-years-olds at the church preschool. Both of us have no plans to retire, as we are only 80 and 77.

PRAISE

1. For 50 years serving God as missionaries by His grace and for His glory.
2. For over half-a-million people reached face to face with the Gospel last year.
3. For our faithful supporters who continue to stand with us during this pandemic so we can keep all our staff evangelists and sewing school teachers. May God meet all your needs, including your jobs, income, health and protection.

PRAYER

1. For the Lord to lead regarding my trips to the Congo in September and India in November 2020.
2. For Elaine and the church school to be protected from the Coronavirus.
3. For the Lord of the harvest to continue providing for every need in this ministry. Most gifts given to "Where Most Needed" go to our evangelists in India and Kenya.
