PRAYER MEETING

01/13/21

MISSIONARY UPDATE

Paul & Dondra Decker	01/12/21 Campus-New York
----------------------	-----------------------------

We are looking forward to the "Spring" semester beginning the first week in February. As far as we know, it is all systems go like the Fall semester. We anticipate all the same rules will be in place and we will be able to be on campus. Please pray for a good start and we will be able to get a room in which to meet.

Throughout the break, I have continued to meet with most of my students via Zoom. It is such a privilege to stay involved in their lives during the break times. Please pray for continued fruitfulness.

One of the students that I meet with (that is not yet a Christian!) asked me last week why I was so happy. Why did I have such peace about everything? I did not jump in with the gospel in its entirety. I did not feel she was quite ready for the whole thing. But I did begin the larger picture of being in a relationship with God. It was amazing to watch her soak that all in. Be in prayer that she will want to hear more. I really work hard to listen to the Holy Spirit's direction in these situations and not run ahead of Him.

Another one of our students who was not on campus last semester contacted me a few days ago and is wrestling with pornography (and some related things). He is an international student and we had a long discussion about what he really wants to happen. So, we are entering into some daily Bible studies in the coming weeks. I really want to get him saturated with Scripture, because this is going to be a long hard fight. Please be praying for him.
