PRAYER MEETING 04/14/21

MISSIONARY UPDATE 04/01/21

Mike & Debbie Bannon WorldVenture-Colorado

As we come into the spring thaw, we are seeing signs of another thaw: the Covid 19 winter, which has lasted over a year. It reminds us of the story of The Lion, The Witch and the Wardrobe. An evil queen had taken over Narnia causing constant winter but, in the end, she is defeated by Aslan, the lion who typifies Jesus!!

Well, Covid is not an evil queen but we all have seen how it has turned our world upside down for a time. Many predictions are being made for the future, some instill fear, some anger and others—well fill in the blank—what emotion does it instill in you? Many of us have lost loved ones or close acquaintances- some for eternity, and some for a time- until it is our turn to leave this earth and be swallowed up by life! Our hearts grieve. But as followers of Jesus, we can actually rest in the truth that our God reigns! He is good to those who wait for Him, to the soul who seeks Him!!!

During this time, it seems that many people are considering how tentative life is and what is really important. As a result, we have had full schedules. We thank the Lord! We may not be traveling to different conferences but we are daily in contact with a number of people who have become interested in serving our Lord overseas in global missions. I often pray for wisdom before and as I answer them. I want to help them in their search for what our Lord has for them. For those who do not continue in the application process my prayer is that they become involved in their churches. Please be in prayer for those who have expressed interest. Pray that our Lord would show them what steps to take, that if it is fear that stops them, they would give that fear to the Lord and that they would trust His grace and love.

Praise the Lord with us for the 40 appointees who are currently involved in partner development in order to serve overseas. Of this group, 25 are going to unreached people groups!

And lastly, please pray as we have been asked to teach four classes at Moody Bible Institute. They are on the 26th of April. We are praying for godly wisdom as we prepare for those classes and as we present them that they will be helpful to students who are seeking to serve the Lord.

We are so thankful for your continued prayers and partnership with us!
